

We are going plastic free!

We're working hard to avoid:

- 1** Plastic shopping bags
- 2** Single use plastic cutlery
- 3** Plastic straws and stirrers
- 4** Plastic fruit & vegetable bags
- 5** Balloons & balloon sticks
- 6** Plastic bottles & lids
- 7** Plastic takeaway containers
- 8** Polystyrene containers
- 9** Plastic lined coffee cups & lids
- 10** Plastic cups & plates

We are fighting plastics that kill ocean animals.
